

# 10 Ways you can Make a difference

At SafeHouse of Seminole, we are extremely grateful for the ongoing support of our volunteers. Their endless contributions of time and energy inspire us to continue our work bringing about hope and change for thousands of victims of domestic violence every year.

1. **Hold a food drive:** this holiday season we are in more need than ever for pantry items.
2. **Donate your time:** Volunteer to be the SafeHouse Volunteer Coordinator.
3. **Volunteer to help with the children** late afternoons, evenings and weekends during the kids' activity time.
4. **Collect "Wish List" donations.**
5. **Plan a fundraiser** for bus tickets, gas cards and gift cards to WalMart and Target.
6. **Donate your services:** We are always in need of handy/maintenance services.
7. **Become a freelance writer** to help with the newsletters.
8. **Adopt the house:** we need housekeepers to help keep our 15,500 sq. foot home clean.
9. Choose SafeHouse for your **internship.** Call 407-302-5220 ext. 232.
10. **Organize Landscaping and Weeding Parties.**

## Volunteer Spotlight

*Dorothy Dubel had a vision. She and several SafeHouse volunteers, whom we have come to call the "closet ladies", have amazingly organized our donation room. Under Dorothy's direction, the closet ladies turned the room into a clothing boutique. Residents "shop" at no cost for clothing, shoes and accessories.*

As Dorothy Dubel, author of **Escaping Danger**, signed the SafeHouse copy of her book, she wrote: *"What better place to have my book than at SafeHouse".*

**Special Thanks** to our Corporate Supporters for their In-kind donations during the Fall Quarter and for their ongoing support...
