

Mr. Handyman Supports SafeHouse of Seminole by Donating Repair Services on Sept. 10
Volunteer effort marks National Day of Service

Sanford, FL, – SafeHouse of Seminole will be the big winner on September 10 when locally-owned Mr. Handyman of Debarry/Lake Mary/Winter Springs donates the skills of its technicians for SafeHouse as they observe the National Day of Service.

As part of President Obama's request to renew America through volunteerism, Mr. Handyman of Debarry/Lake Mary/Winter Springs, part of the full-service home repair and maintenance franchise, will be donating 2 Mr. Handyman technicians to install a chain link fence, weather proof a wood deck, paint, repair doors, and other repair items.

As the No. 1 employer of handymen in the nation, Mr. Handyman of Debarry/Lake Mary/Winter Springs will be participating in the National Day of Service where Mr. Handyman employees throughout the nation will install handicap ramps at hospitals in Seattle, paint retirement homes in Orlando and everything in between.

"Donating our services to SafeHouse of Seminole was a natural partnership for us," said Chad Olson, owner of the Mr. Handyman of Debarry/Lake Mary/Winter Springs. "We are always looking for ways to give back to our community, and we think it's even more significant as part of a national effort to help deserving organizations."
